MLC's Transportation and Carpool Plan

As part of our Conditional Use Permit with the City, MLC must implement a carpool program in order to meet the conditions listed in our Transportation Demand Management Plan. Due to the increases in our enrollment, the City has asked us not to impact traffic on De Soto Avenue; therefore, we are asking that every family create a carpool arrangement with at least one other family. This will reduce the number of trips by 50% and hopefully bring us within the requirements of the Department of Transportation.

What does this mean to me? We are asking that every MLC Family that drives to school carpool with at least one other MLC family.

How can I find a family to carpool with? Parent volunteers are creating a web site that will be available next week for you to find other MLC families that live near you. You can visit this website and make arrangements that are mutually beneficial.

What will be on this website? A Carpool Map (powered by Google) with each MLC family's last name, city and zip code. A password will be given to MLC families in order to "unlock" more detailed information including street address and phone number.

What if I do not want my information posted on the Carpool Map? You must complete the tear off below and return it to the MLC office or email Krisann Pappajohn at kpappajohn@hotmail.com by **Monday October 17, 2011** to request that your information not be listed.

What do I do next? A transportation survey will be sent home next week for you to complete and let us know if you walk to school, already have a carpool, are interested in starting one, or possibly contracting with a bus company as a parent group. Please make sure to return it! Watch out for the notices regarding the Carpool Map web site and start a carpool!

For more information regarding the MLC Carpool Campaign, please contact Saira Salazar-Martinez, Director of Operations at 818-716-5783 ext. 222 or saira@mlccharter.org.

Please complete the information below and return to the front office or email kpappajohn@hotmail.com if you do not give MLC permission to share your contact information on the Carpool Map website.

Let's Carpool!
